A farm market status for the festival will be in effect which allows you to sell sealed bottles of wine or sealed liquor of any kind, as well as offering tastings. As of August 1, 2010, NY wineries no longer need to obtain "no fee" permits from the State Liquor Authority (SLA) to legally sell their NY labeled wines at farmers' markets officially designated as such by the State Ag. Department. The Festival has been officially "designated" as a farmer's market event. Craft Breweries (60,000 gallons or less) will need to obtain a Farmer's Market Permit and **have it posted at the Festival.**

Be prepared to show sale evidence by the end of the day.

We must have a valid copy of your NYS Permission to Collect Sales and Use Tax Certificate with this registration.
